

Introducing You **To Success!**

“Equipments, procedures – those things can be duplicated. Human capital is the only area where companies can really differentiate themselves”

– Meldron Young

We at **Reliable Resource Solutions** will help you differentiate yourself from your competition

# COMPANY OVERVIEW

We **(Reliable Resources Solution)** are pleased to introduce ourselves as full-service recruitment and placement consulting firm. We are young, vibrant and aim to be the best customer-oriented service provider in the market. We established Reliable Resources Solution with a mission to provide world-class executive search and consultancy services to our clients to help them enhance their competitiveness through quality human capital.

**We have our office in Mumbai, Thane.** We anticipate having our branches in various parts of India and overseas in the near future. With a highly motivated team of HR Consultants and with good domain and market expertise, our strategy is to provide ethical, transparent, and professionalism of the highest standard to our clients in advising and acting for them in identifying, evaluating, and successfully recruiting the best possible candidates.

At **Reliable Resources Solutions**, we firmly believe in sourcing **“Right Person for the Right Job.”** We recognize the importance and relevance of the HUMAN CAPITAL for enhancing an organization’s bottom line.

**Reliable Resources Solutions** along with **Executive Search** also offers various services which include

- **HRMS Software Solutions**
- **Payroll Outsourcing Solutions**
- **Contract Staffing**

## VISION

To help our customers do what they do best – by enabling them with the right people to do so.

## MISSION

To connect the right candidate with the right organisation.

## OUR VALUES

- Customer-Centricity
- Empathy
- Detail Orientation

# OVERVIEW OF OUR SERVICES

## **Recruitment Services**

We all know that people are any company's greatest asset. But scouting, screening, and hiring the best talent in the industry can be a time-consuming and challenging process. At Reliable Resources Solution, we offer professional recruitment services to companies in India and abroad from mid-senior level positions all the way to executive search. Backed by in-house research capability, our strong understanding of the local market, and an extensive database of candidates. We take pride in finding 'people for tomorrow'

## **Payroll Services**

Take care of business and trust your payroll to our flexible, state-of-the-art solution. Seamlessly integrated with your payroll policy, our payroll services give you the benefit of our rolling investment in the latest accounting technologies. No matter the size of your business or the sector you're in.

Designed to reduce operating costs – delivering savings of up to 60% on in-house solutions – and maximize convenience and security, Reliable Resources Solution allows secure access to your payroll from anywhere, and from any device. Giving your employees increased control and transparency, and reducing your associated costs by up to 60%.

Ready to revolutionize your payroll?

# OVERVIEW OF OUR SERVICES

## **HRMS Software Solutions**

We believe that great businesses are powered by great people. And to be a great business, you need to drive better outcomes through a connected workforce. We balance independent employee needs with employer business goals to create and manage an engaged workforce.

We have our own HRMS Software which is been designed with expert knowledge in the field of Human Resources.

Introducing a Customizable HRMS software that can fit any industry and can be easily integrated, Industry-specific, scalable solution.

## **Contract Staffing**

Whether you are looking for a short-term or long-term contract staffing solution, outsourcing your employees offers a wide range of benefits. From search and selection to payroll, admin, insurance management, and support to having your staff employed on our visa, we offer end-to-end contract staffing solutions. It's the quickest, most efficient, and most cost-effective way to ramp up your company's workforce.

# Thank You !!

We look forward working with you.
